St Marys Lane
Leeds, LS9 7EH**

**Admission free
From 2pm onwards**

**Evening reception and
awards from 7pm**

All Welcome!

The Kirkstall Festival is has been held in the Ground of Kirkstall Abbey, every summer for the last 30 years. It attracted 15,000 people this year. It is run entirely by volunteers from the community and is both a celebration of community and an opportunity for local groups and organisations to present and reinforce themselves.

To mark and document this Anniversary over 30 Leeds photographers submitted 2,000 images.

Large size projection will be used to present an extensive selection of these images.

A book will also shortly be published containing 100 Images as a permanent record.

We wanted to capture the Spirit of the event and will be highlighting six images that are judged exceptional in this responding to the themes: *People, Place, Participation, Procession, Performance and Play*. To preview some of the images visit www.kirkstall.org.uk

KVCA thank 'Exposure Leeds' and East Street Arts for their support with this project.
